Dear Zetty,

October 6, 2025

I wanted to take a moment to tell you how wonderful you are! As the Director of Nursing at Parkway Pavilion, I am so happy when I see your name on the schedule. I know that you take the time to give excellent care to the residents. You treat everyone like they are an old friend or a family member. The residents here love seeing you too. You have such a bright smile and are always friendly and kind. The level of care that you provide is better than gold, you make the ones you care for feel so loved and safe. I know that you have business in private care and I would tell anyone that I highly recommend your service to their loved one or for themselves. God bless you and the extraordinary work that you do. You really do make a positive difference for those whom you care for. I have worked in long term care for 13 years and I can say that you are top notch! I love working with you! Please feel free to share my information with anyone thinking of hiring you and I would be very happy to speak to them.

Sincerely,

Jean-Elise Medeiros, BSN, RN
